

EXTINCT

©2001 DAREN THOMAS TURNER

i am just inbetween my hating
and i just want to be with my baby
and i don't want to die, so save me
don't hang me out to dry, and stab me

could i stay here tonight, for just a little,
it's cold outside my dear
if you say it's alright, i need your shelter
but bury me if you go

i am just inbetween my hatred
and i just want to be with my baby
and i don't want to cry, so save me
don't hang me out to dry, and stab me
