

Saja Farm

2010 CSA Membership Form

What is a “CSA”?

“CSA” stands for “community supported agriculture”. Members pay an upfront fee for the entire growing season. In return, each week you receive an abundant amount of fresh cut seasonal produce (Saja Farm provides one bushel). In paying this upfront fee, the farmer receives funding to help pay for the cost of growing, harvesting, and packaging your food and knows in advance how much food to grow for everyone participating in the CSA. Not only does the “CSA” give you the freshest possible produce harvested right off the field but you also have the privilege of knowing your farmer. By joining a CSA, you have invested in Saja Farm and your farmer works directly for you to provide you the finest and freshest harvest each week.

Here at Saja Farm, we regard our CSA participants as our most valuable customers. Our CSA members are the best voice as to how we are doing. Members tell us about their favorite items, have helped us develop a crop plan that includes popular favorites, and are helping us become the most sought after provider of the freshest and tastiest produce organically grown in the local area.

We welcome you to join us this season. Simply complete the form below and forward to us as soon as possible to assure your place.

As always, we look forward to serving you!

Best regards,

Caroline Zuk, Saja Farm Manager
