

Trim Tack[®] Adhesive Mats

Low Profile Contamination Control Mats from MARKEL are Disposable, Dry & Require No Frames!

- TRIM TACK Floor Mats help prevent contamination and particulate matter from entering controlled working environments.
- Wide application for the medical-device, computer, pharmaceutical, electronics, aerospace, instrumentation and nuclear industries.
- Fast, effective, economical & easy to use.
- Each mat is composed of multiple layers of tough, polyethylene film, coated with adhesive, laminated together into a stack.
- Adhesive layers have alternating color tabs for easy sheet separation.
- When surface is contaminated, simply peel off the top layer and discard.
